

LITTLE TREASURES ARMENIA: MINISTRY UPDATE

Summer 2026 Edition

"The river of God is full of water." (Ps. 65:9) Reflecting on our summer mission trip to Armenia (June 3 – August 13, 2026), God's grace poured out in ways far beyond what we could have imagined. Through 26 summer camps, over 4,500 children heard the transformative message of the Gospel.

Summer 2026 Impact at a Glance

26 Camps Completed: Reached approximately 4,500 children across rural villages and cities.
Scripture Engagement: Children were taught how to read and apply God's Word daily.
Music & Gratitude: Introduced 3–4 new spiritual songs, including a special hymn encouraging children to honor God and express gratitude to their parents.

Stories of Transformation

Freedom from Fear: A young boy named Raffi was paralyzed by the traumatic fear that leaving home would cause his mother to die. After leaders prayed with him and taught him that Jesus protects his family, he returned to camp filled with joy, declaring that his fears were gone.

Experiencing Forgiveness & Peace: Children shared deep personal breakthroughs—discovering that God forgives past guilt, learning to resist negative peer pressure, and experiencing the tangible peace of Christ.

Desire for Christ: Many young hearts testified to feeling Jesus' presence directly, noticing a new spiritual light and hope in their lives.

What's Next: Fall 2026 Outreach

We are preparing for our next mission trip to continue expanding God's kingdom in Armenia.

Upcoming Dates: October 13 – November 24, 2026

Village Evangelism: Spreading the Word of God across rural communities.

Equipping Local Leaders: For the first time, organizing a weekend retreat for nearly 150 children's ministry workers across Armenia to inspire and equip them for long-term service.

Prayer Requests & Future Vision

Raising Support: to accomplish the fall camp mission.

17-Seater Ministry Van: Pray for the provision to purchase a 17-passenger van in Armenia, making long travel routes between distant villages easier and safer for ministry teams.

Land for a Permanent Camp Ground: Pray for land to build a dedicated camp facility. This long-held dream will serve as a permanent hub for local and international children's camps, adult retreats, and leadership seminars.

Thank you for your faithfulness, prayers, and support. You are helping bring the hope and peace of Jesus to thousands of precious children
